How to get here

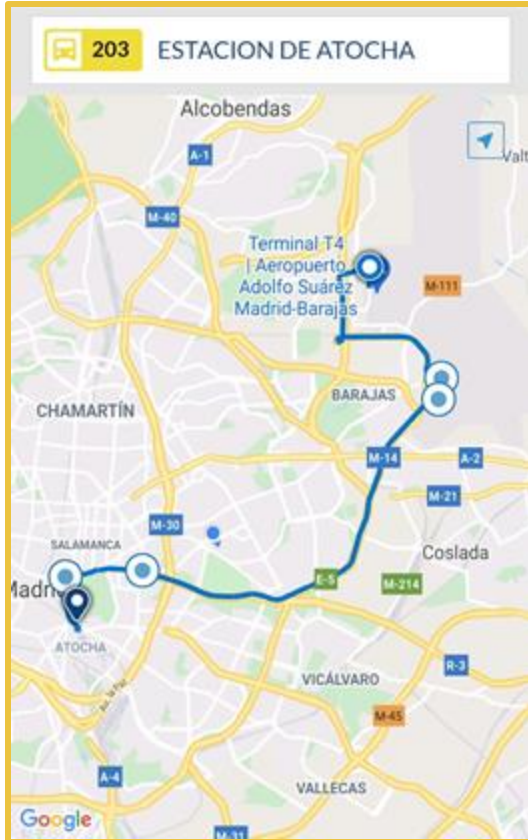

- Cáceres **doesn't have** an airport 😞.
- Closest airport is Badajoz one (100 km away), but it only have connections with Madrid and Barcelona airports. You could manage flight connections, but I wouldn't recommend it at all.
- Seville (280 km) and Madrid (300 km) airports are the suitable options, as they have regular international flights.
- Lisbon airport is 300 km away from Cáceres, but COVID-19 restrictions and connections with Cáceres are not the same, we wouldn't recommend it.
- From Seville and Madrid there are buses and trains to arrive Cáceres. It depends on media and route considered, but it takes 4 hours on average.
- If you prefer a car, it will take 3 hours from both airports. There are, generally, no parking problem in Cáceres, and you won't need it to move within Cáceres, we will pick you up wherever the way you choose to come here 😊.
